ADRIJAN SULEJMANOV

SENIOR FULL STACK DEVELOPER

PERSONAL PROFILE

Goal-oriented software developer with 8 years of in-depth experience at web and mobile app development.
I have experience working at various companies as a software developer where I primarily write with Javascript and build recommendation systems along with learning from the best and the brightest. I also have experience working at a big data startup. I am the type of person who absorbs insights from others easily as well as freely shares mine.
